

STERLING COMMERCIAL CREDIT

INVOICE FACTORING & ASSET BASED LENDING

SCC is committed to "Keeping the Entrepreneur Dream Alive!"

Sterling Commercial Credit is a family owned and operated service provider specializing in financing for small to mid-sized businesses, which includes invoice factoring and asset based lines of credit. Our financing is secured primarily by Accounts Receivable, Inventory or Equipment

Services Offered:

Industries financed include manufacturing, transportation, staffing, wholesale, distribution, service b2b, and oil & gas. The primary collateral for any Sterling transaction consists of accounts receivable and the quality of the account debtor base within our clients customer list. Sterling provided over \$250,000,000 in funding in the past year and over \$1 Billion in funding since 2010.

- ✓ **Asset Based Lines of Credit**
- ✓ **Invoice Factoring**
- ✓ **Accounts Receivable Consulting**
- ✓ **Financing Transactions include (not limited to):**
Fast Growth, M&A, Start-Up, and Undercapitalized

Why Choose Sterling?

Working Capital loans are appealing to business owners who are experiencing growth and need available funding quicker than their local community banker can provide. Working Capital ignites cash flow and allows a business entrepreneur the opportunity to grow and maximize their sales pipeline without diluting equity.

- ✓ **Available 24/7, no bank hours**
- ✓ **No hidden fees**
- ✓ **Sterling One Rate – All Inclusive Factoring Fee**
- ✓ **Improve cash turnover with Sterling's collection experts**
- ✓ **Daily Collections Calls; Mid-Month A/R Statements**
- ✓ **Invoice Validation to ensure accurate billing and timely cash turnover**
